The Honorable Joel T. Broyhill
U. S. House of Representatives
Washington 25, D. C.

Dear Mr. Broyhill:

Thank you for your letter of 21 March together with its enclosure of a copy of a Resolution of the City Council of the City of Alexandria expressing the desire of the Council that the Central Intelligence Agency locate and construct a building in Alexandria.

We sincerely appreciate the invitation of the City Council and the others who have urged us to locate in Alexandria, as well as the pledges of cooperation should the Agency decide to build there.

I have turned this correspondence over to Mr. L. K. White, who is our Deputy Director in charge of these particular matters here, and I know that this proposal will be carefully considered with the many other sites currently under study. As you know, we are still in the planning stage in regard to a new building, and no particular site has been decided upon.

Sincerely,
